

**I'm Gonna Use My Hands** - by Tom Smith, © 2018 Peabody Hill Publishing (ASCAP)

I'm gonna use my hands.  
*I'll find a broken thing to mend*  
I'm gonna use my hands  
I'm gonna use my hands

I'm gonna use my hands  
*I'll build a bridge and make a friend*  
I'm gonna use my hands  
I'm gonna use my hands

I'm gonna make the world a better place  
Gonna use my hands

I'm gonna use my brain  
*Turn every loss into a gain*  
I'm gonna use my brain  
I'm gonna use my brain

I'm gonna use my brain  
*And if I fail I'll try again*  
I'm gonna use my brain  
I'm gonna use my brain

I'm gonna make the world a better place  
I'm gonna use my brain

I'm gonna use my voice  
*If something's wrong I'm makin' noise!*  
I'm gonna use my voice  
I'm gonna use my voice

I'm gonna use my voice  
*'Cause everybody has a choice*  
I'm gonna use my voice  
I'm gonna use my voice

I'm gonna make the world a better place  
I'm gonna use my voice

I'm gonna use my heart  
*This is the hardest part*  
I'm gonna use my heart  
I'm gonna use my heart

I'm gonna use my heart  
*Let's find a common place and start*  
I'm gonna use my heart  
I'm gonna use my heart

I'm gonna make the world a better place  
I'm gonna use my heart

We're gonna use our hands  
We're gonna use our brains  
We're gonna use our voice  
We're gonna use our hearts (*Repeat*)

We're gonna make the world a better place  
We're gonna use our hands
